

## AL8

Passthrough Warewasher – 500mm x 600mm Rack  
**W 905mm x D 730mm x H 1695mm**

The Washtech Warewashing range represents the most powerful utensil, container and tray washing units in the Washtech line up. These machines are built to increase the efficiency of many operations by promoting continuous clean up. With powerful wash pumps, large internal chambers and a range of cycle times, the savings in labour, water, chemicals and energy assure rapid payback times.

Washtech's AL8 is a versatile utility warewasher suitable for crates, bins and most 80 litre bowls. The AL8 can be easily installed into benches for easy passthrough operation eliminating the need to lift heavy items in and out of the machine. It also comes standard with easy to use controls and multiple cycle times to wash a wide range of items making it the perfect machine for bakeries, butcheries and food processing operations.

### Standard Features

- Versatile 2, 4 and 6 minute cycles
- Double filtration system including stainless steel scrap trays and pump filters.
- Autostart on hood closure
- Large internal chamber with usable area W 700mm x D 540mm x H 650mm
- Reliable results through robust stainless steel rinse arms with precision stainless jets
- Powerful wash pump recirculates water at nominal 800 litres per minute ensuring items are thoroughly washed.
- Easy to maintain electromechanical design
- Durable stainless steel construction
- Moffat's Comprehensive 5-2-1 Warranty
- Detergent Pump fitted
- Low hot water consumption of 3.0 litres per cycle
- Fast recovery between cycles through powerful rinse heating

### Includes:

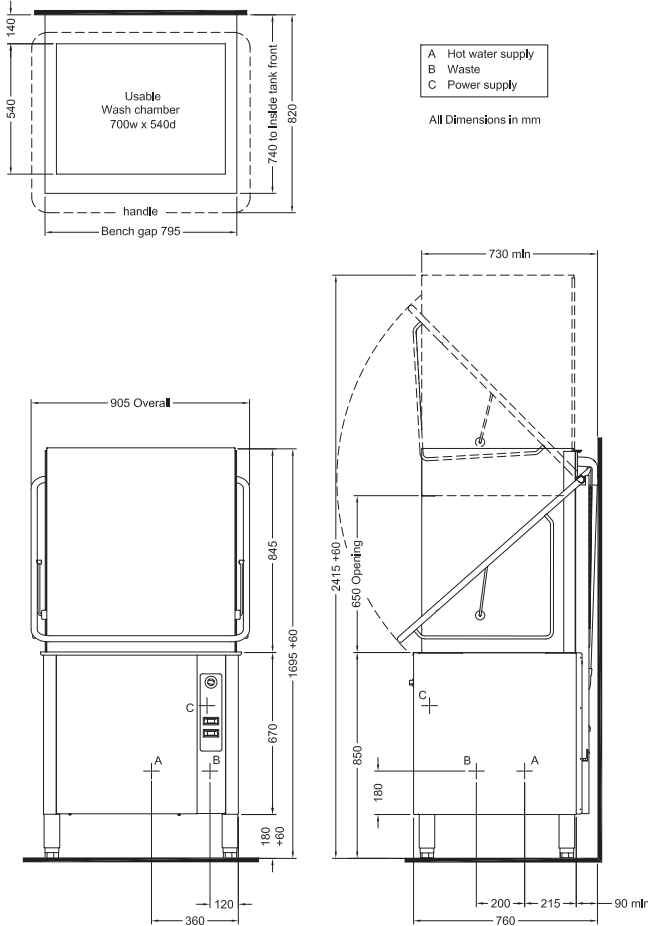

- 1x 600 70047 - 500mm x 600mm dish rack
- 1x 600 70043 - 500mm x 600mm cup rack
- 1x C660508 - cutlery basket
- 1x K0452 - 435mm cup cover
